Instalation

- ❖ Download **JRR Map** by clicking any link available.

Note: Now this map is separated for 2 different version of UI Map Background mod below :

Verse A (Default) using World Background Map by BenganJ or Sipesor Map Background

Verse B (PM Background) using ProMods Afroeurasian Background Map.

Choose only one of them that you prefer the most.

- ❖ From now, you **HAVE TO** download additional mod of "Map Background" mentioned above. Then put it into **"/Document/Euro Truck Simulator2/mod/"**.
- ❖ Open **JRR Map v0.x (ETS2 Version).7z**. (no password included)
- ❖ Ensure all files in the **RAR / 7zip archive** (3 .scs files, 3 images, and 1 Readme pdf file) are available. Otherwise, there might be missing or corrupted one.
- ❖ Place all .scs files into mod folder (**/Document/Euro Truck Simulator2/mod/**)

File order list :

"JRR_Def&Map[ETS2 version].scs",

"JRR_Assets&Models1.scs", and

"JRR_Assets&Models2.scs"

- ❖ After that, open the game as usual. Then put these 3 map files (+Map Background Mod) in your mod manager of game profile.

General Mod Orders :

Global Backgrounds (Map Background)

Sounds

Graphics/Weather

Physics

Tuning Parts

AI Mods
